This form lists organizations and activities that are an important part of our parish life, serving the needs of our faith community and the community at large. Please review this survey and identify those activities and organizations that are of interest to you. Consider how your special talents, experience, and interests coincide with those of these organizations and activities.

If anyone in your family is interested in an activity, write his or her number (see above listing) next to the name of the activity in the column labeled "**interest**". Similarly, if anyone in your family is currently participating in an organization or activity that is listed or has had experience working in a similar organization or activity either here or elsewhere, record his/her number in the column labeled "**experience**". If a family member is interested and has had previous experience, be sure to record his/her number in both columns.

If a family member is interested in an activity **that is not listed in the tables**, use the space on the reverse side to list that activity. Be sure to list the number of the person who is interested in the activity as well.

Completing this survey is **not a commitment to participate** in the activities listed. The information you provide will be shared with individuals who are actively involved in the activities you select and these individuals will contact you to answer any questions you may have. After this initial contact, you can decide whether or not you wish to share your time and talent.

Thank you for taking the time to complete this time and talent survey.
